Through the website Fyntura (the "Website"), which we own and run, users can trade CFD instruments on the forex, commodities, indices, and cryptocurrency markets. When we say "you" in this document, we mean a "user" and for "Services", we mean the "features" provided to you through our Website and Platform.

This document outlines the Terms and Conditions you are required to follow when using our Services. By accessing our Website and using our Services, you acknowledge and agree to these Terms and Conditions.

In the event that any of these terms are found to be illegal or unenforceable in any way or to any extent in any country, the remaining provisions of these terms will remain valid and enforceable, and the implementation.

### Terms used

The terms and conditions (referred to as the "Terms") that apply when using our services are contained in this document. You signify your understanding and consent to these Terms by using our services and visiting our website. Please exit our website and stop using our services if you do not agree to our terms.

These Terms are applicable to all visits to our website, regardless of how you found it, how you got there, or what device or method you used. Additionally, you are in charge of ensuring that anyone person accessing our website through your device, connection, or account conscious of these terms.

We may update these Terms from time to time without informing you in advance. Should such changes occur, we might let you know. As long as you use our website and services, you are agreeing to the updated terms.

If any part of these terms is found to be invalid or unenforceable in any way, for any reason, or to any extent in any jurisdiction, the effect on the remaining provisions will not be affected, and the applicable portion will be enforced to the fullest extent allowed by law.

### Ownership and Rights of the Client:

When registering, please provide accurate, complete, and true personal information (to the extent required for registration); if there are any real changes to this information—such as a change in address, surname, phone number, or other personal registration information—please promptly

make the necessary modifications. For example, by utilizing the contact form to get in touch with the appropriate Company employee, registration data can be updated.

Respect applicable domestic and international rules pertaining to copyright and intellectual property protection for the client.

Please refrain from attempting to use the Company's Website in any way that could impair or damage the Website functionality, individual services, or cause the server to become inaccessible in any way, or interfere with the servers' ability to function normally. Specifically, the client agrees not to try to automatically register or gather private or proprietary information. Furthermore, in order to prevent malfunctions and/or to prevent other users from accessing the Web- or trading server normally, the Client shall not seek to overwhelm the Website or trading server with unnecessary information.

Be completely and exclusively liable for all activities taken using the client's account, including those that resulted in loss or damage to the company, in accordance with the applicable laws and company public documents i.e., the client bears responsibility for any illegal (or inconsistent with company public documents) actions taken via the client's account).

Use of any service that permits data publication is prohibited. Moreover, you may not publish on the Company's Web server (site) in any other way that is illegal, including by making threats, defaming or abusing the honor and dignity of third parties, using vulgar or indecent language (especially offensive ones), encouraging racial, religious, or ethnic discrimination and hostility, or in any other way that might violate someone's right to privacy or their legal status.

#### Ownership and Rights of the Company:

The Company will take all reasonable steps to ensure that information it provides to clients is accurate, complete, timely, consistent, and valuable, whether it is done so through any channel or by any means. Additionally, the Company will prioritize and regularly modify the quantity, kind, and caliber of information that is made publicly available or that is personally disseminated through secure communication channels in response to client requests.

When giving clients information through any channel or making information publicly available, the company reserves the right to modify, add, remove, and alter the entire structure, composition, and quality of any information at its sole discretion; to create or remove services hosted on the company's Website and to restrict access to these services at its sole discretion; to decide whether to provide information that is publicly available or in a private manner; and to decide how much the information will cost, this or that service, hosted at its exclusive discretion on the company's website. Specifically, the Company retains the right to charge additional fees for the use of this or that service or information.

#### Liability disclaimer and restriction:
